*Achieving Excellence Together*

## **FOR IMMEDIATE RELEASE:**

### **REI Earns Continued ISO 9001:2000 Certification for “Exemplary” Commitment and Excellence**

**Annandale, VA - June 14, 2006** - REI Systems, Inc. has retained its ISO 9001:2000 certification after undergoing mandatory BVQi surveillance June 7-8, 2006.

The external auditor, Bob Lackland of BVQi, found zero nonconformities in REI’s business processes. He did find three areas of “noteworthy” strength.

“The commitment of both [REI’s] management and staff is exemplary! [REI] has excellent online documentation and “tools”, and excellent execution of “product & service” realization,” said Lackland in his closing remarks.

REI first earned ISO 9001:2000 certification July 2004.

#### **About REI Systems, Inc.**

REI Systems, Inc., a small, 8(a) technology firm that possesses a solid, decade-long track record for satisfying federal customers, like NASA and the U.S. Department of Justice, by providing them with powerful, customizable business process management systems for swift and accurate, paperless transactions.
